Dancing for barn preservation

CIVIL WAR BARN DANCE - The Historic Gettysburg Adams County (HGAC) Preservation Society and barn owners and barn preservation enthusiasts Jayne and Bill Shord opened the doors of the historic 1867 barn at Beech Springs Farm to accommodate the Civil War dance on Saturday. About 85 people enjoyed period dances while listening to Civil War-era music performed by the Susquehanna Travellers. All proceeds from the event will benefit HGAC's barn preservation project and grant program. (Darryl Wheeler/Gettysburg Times)
